

IT CARVE OUT FOR AN INTERNATIONAL FACILITY MANAGEMENT COMPANY

Client

- One of the largest European facility management companies with more than 6'000 employees and sales of Euro 1 billion p.a.
- Owned by a leading European telecommunication group

Starting position

- Acquired by major European construction company (annual sales of Euro 10 billion)
- Necessity to separate company's IT landscape from former parent company (telecommunications group)

Approach

- Creation of transparency on starting position and identification of strategic objectives
- Analysis of respective IT architecture, IT organization, IT suppliers & contracts
- Development and implementation of prioritized carve-out initiatives

Results

- Successful IT carve out from former parent company
- Careful planning and project steering avoided operative risks and undue liabilities
- Prepared IT landscape to be merged with the IT of the acquirer
